

ABOUT ZEROENERGY DESIGN

ZED is an architecture firm located in Boston, specializing in high-performance homes and buildings. The firm was ranked #2 for sustainability nationally in the Architect 50. Our mission is to create beautiful, healthy buildings to empower families, uplift communities, and improve our living world.

ABOUT THIS POSITION

ZeroEnergy Design (ZED) is seeking a talented Project Architect / Manager with 5+ years of experience and passion for meaningful sustainability to join our Boston team. Demonstrated expertise in single-family, wood-framed construction is crucial, as are strong design abilities, technical skills, and a modern aesthetic. Candidate must be able to work on multiple projects at once, have experience with all phases of design, have strong communication skills, and demonstrate proficiency with Revit, or another BIM platform. Experience with Passive House is desired but not required.

Benefits

- 401k with 4% match
- Hybrid working / Flexible schedule
- Paid time off
- Comp time policy
- Paid parental leave
- Health, Dental & Vision Insurance
- Paid professional development

Equal Opportunity

ZeroEnergy Design is an equal opportunity employer. We are committed to building a fair, equitable and culturally diverse workplace. All qualified applicants will receive consideration for employment without regard to race, color, sex, sexual orientation, gender identity, religion, disability, age, genetic information, veteran status, ancestry, or national or ethnic origin.

HOW TO APPLY

If you are interested in joining our team, please submit a cover letter/email, resume and work samples via email to career@zeroenergy.com with subject line BosNOMA Job Posting. No calls, please.
